## Snippets : Showing 11 out of 11

### Board Meeting : Showing 2 snippets out of 2

#### Snippet

Content: Wipros board on Friday, January 12 announced an interim dividend of Re 1 per equity share of the face value of Rs 2 each, i.e., a 50 per cent payout for the current financial year along with financial results for the October-December period of the company for the financial year ending March 2024.

#### Retrieved From

/Users/copods/Desktop/CD/pebblo-kunal/samples/langchain/acme-corp-rag/data/topic\_data.csv

#### Snippet

Content: Roberts reminded the board of the scheduled retreat coming up in three months, and provided a drafted retreat schedule. The board provided feedback on the agenda and the consensus was that, outside of making a few minor changes, the committee should move forward as planned. No board action required.

### Patent Application Fillings : Showing 1 snippets out of 1

#### Snippet

Content: Claims: An adaptive pacing system for implantable cardiac devices, comprising a pulse generator, multiple sensing electrodes, a microprocessor-based control unit, a wireless communication module, and memory for dynamically adjusting pacing parameters based on real-time physiological data. The system of claim 1, wherein the adaptive pacing algorithms include rate-responsive pacing based on physical activity. The system of claim 1, further comprising an external monitoring system for remote data access and modification of pacing parameters.
